

GORE-TEX PRODUCT TECHNOLOGIES GLOVES

GORE-TEX
GLOVES

ALL GORE-TEX GLOVES ARE DURABLY
WATERPROOF, WINDPROOF AND BREATHABLE

TECHNOLOGY ▶	<p>GORE-TEX GLOVES</p> <p>More comfort. Better protection. Skiers, snowboarders, motorcyclists, and many more outdoor adventurers trust GORE-TEX gloves to keep their hands protected, mobile and comfortable.</p> <p>As well as all being guaranteed waterproof, windproof and breathable, gloves made with GORE-TEX product technologies offer a range of additional benefits.</p>	<p>GORE-TEX GRIP GLOVES</p> <p>Confidence starts with grip. GORE-TEX grip gloves offer outstanding dexterity and tactility, which means you can keep on riding, climbing, or skiing for hours – and stay in complete control. Gloves are also GUARANTEED TO KEEP YOU DRY™, totally windproof, and breathable, keeping you protected and comfortable in a wide range of weather conditions, for a wide range of adventures.</p>	<p>GORE-TEX 2IN1 GLOVES</p> <p>Sometimes it takes more than one road to find the best adventure. GORE-TEX 2in1 gloves offer two options in one pair of gloves. The extra warmth chamber protects your hands with insulation. The better grip chamber brings your hands closer to the action, so you can easily grip ski poles. These gloves are also GUARANTEED TO KEEP YOU DRY™, totally windproof and very breathable.</p>	<p>GORE-TEX ACTIVE GLOVES</p> <p>Whether it's a fast-paced hike or an intense day on the slopes, when you're taking part in active sports on cool days you need to breathe – and breathe hard. These are the most breathable GORE-TEX gloves available. Even during heavy exercise less heat accumulates and less moisture is trapped in the insulation so it remains drier. These gloves also offer our GUARANTEED TO KEEP YOU DRY™ promise and are totally windproof.</p>	<p>GORE-TEX PLUS WARM GLOVES</p> <p>If you're heading out for a long day mountain touring or just know you'll be out adventuring for hours when the mercury is low, you need protection you can rely on. GORE-TEX Plus Warm gloves are designed to keep your hands comfortably warmer and protected for longer. They're also totally windproof, breathable and carry our GUARANTEED TO KEEP YOU DRY™ promise.</p>
BENEFITS ▶	<p>Durably waterproof The innovative GORE-TEX membrane blocks all water from getting in, so your hands stay drier and more comfortable, even in heavy snow or rain.</p> <p>Very breathable The protective membrane in your glove allows sweat vapor to escape, which means you avoid that clammy, uncomfortable feeling.</p> <p>Totally windproof From strong headwinds to icy gales, wind can't get through the GORE-TEX membrane so your hands stay warmer and more comfortable.</p>	<p>Outstanding grip Tightly bonded layers in the glove create better grip, so you get the dexterity, tactility and the confidence you need to go further.</p> <p>Durably waterproof The durable GORE-TEX membrane blocks all water from getting in, so your hands stay drier and more comfortable, even in heavy rain or snow.</p> <p>Totally windproof From strong headwinds to icy gales, wind can't get through the GORE-TEX membrane so your hands stay warmer and more comfortable.</p> <p>Very breathable The protective membrane in your glove allows sweat vapor to escape, which means you avoid that clammy, uncomfortable feeling.</p>	<p>Warmth or grip Two different chambers in each glove offer you a choice: better grip or extra warmth. You get the protection and comfort you need, when you need it.</p> <p>Durably waterproof The innovative GORE-TEX membrane blocks all water from getting in, so your hands stay drier and more comfortable, even in heavy snow or rain.</p> <p>Totally windproof From strong headwinds to icy gales, wind can't get through the GORE-TEX membrane so your hands stay warmer and more comfortable.</p> <p>Very breathable The protective membrane in your glove allows sweat vapor to escape, which means you avoid that clammy, uncomfortable feeling.</p>	<p>Extremely breathable The whole construction of the glove is optimized for extreme breathability, meaning your hands stay drier, cooler and more comfortable even during intense activity.</p> <p>Durably waterproof The innovative GORE-TEX membrane blocks all water from getting in, so your hands stay drier and more comfortable, even in heavy rain or snow.</p> <p>Totally windproof From strong headwinds to icy gales, wind can't get through the GORE-TEX membrane so your hands stay warmer and more comfortable.</p>	<p>Highly insulated The unique construction of GORE-TEX Plus Warm gloves insulates you better, keeping your hands warmer, for longer, even in very cold conditions.</p> <p>Durably waterproof The innovative GORE-TEX membrane blocks all water from getting in, so your hands stay drier and more comfortable, even in heavy rain or snow.</p> <p>Totally windproof From strong headwinds to icy gales, wind can't get through the GORE-TEX membrane so your hands stay warmer and more comfortable.</p> <p>Very breathable The protective membrane in your glove allows sweat vapor to escape, which means you avoid that clammy, uncomfortable feeling.</p>
